

Yue Jiao

E-mail: jiao@mpi-cbg.de | Address: Dresden, Germany

EDUCATION

- **Max Planck Institute of Molecular Cell Biology and Genetics** 2025 - 2029(expected)
PhD degree Dresden, Germany
 - Major Area: Algebraic Statistics
 - Tutor: Prof. Aida Maraj
- **Beihang University** 2023 - 2025
Master degree Beijing, China
 - Major Area: Statistics
 - Tutor: Prof. Xiaoxian Tang
- **Beihang University** 2019 - 2023
Bachelor degree Beijing, China
 - Major Area: Mathematics and Applied Mathematics

RESEARCH EXPERIENCE

- **Toric geometry reading group** Nov 2025 - Apr 2026
Max Planck Institute of Molecular Cell Biology and Genetics
- **Symmetry Lie algebras of parametrized polynomial systems** Sep 2025 - now
Max Planck Institute of Molecular Cell Biology and Genetics
- **An algorithm for efficiently determining the equivalence of the reaction networks** July 2024 - August 2025
School of Mathematical Sciences, Beihang University
- **Multistability/Multistationarity of small zero-one reaction networks** Mar 2022 - June 2024
School of Mathematical Sciences, Beihang University

PATENTS AND PUBLICATIONS

CONFERENCES EXPERIENCE

- **Structuring Combinatorial Problems with Symmetry** Jun 2026
Chemnitz University of Technology
- **From Geometry to Numbers: a celebration of women in mathematics** May 2026
Humboldt-Universität zu Berlin
- **Algebraic statistics** Mar 2026
Université de Lille
- **Annual Conference of the Priority Program Combinatorial Synergies** Sep 2025
Leibniz University Hannover
- **Summer school Nonlinear Optimization and Combinatorics** Aug 2025
TU Braunschweig
- **Summer School: New Perspectives on Discriminants and Their Applications** Jun 2025
MPI-MIS

HONORS AND AWARDS

- **Outstanding undergraduate thesis** Jun 2023
School of Mathematical Sciences, Beihang University
